Meet Airplane Atlee.

Atlee loves America and Alaska

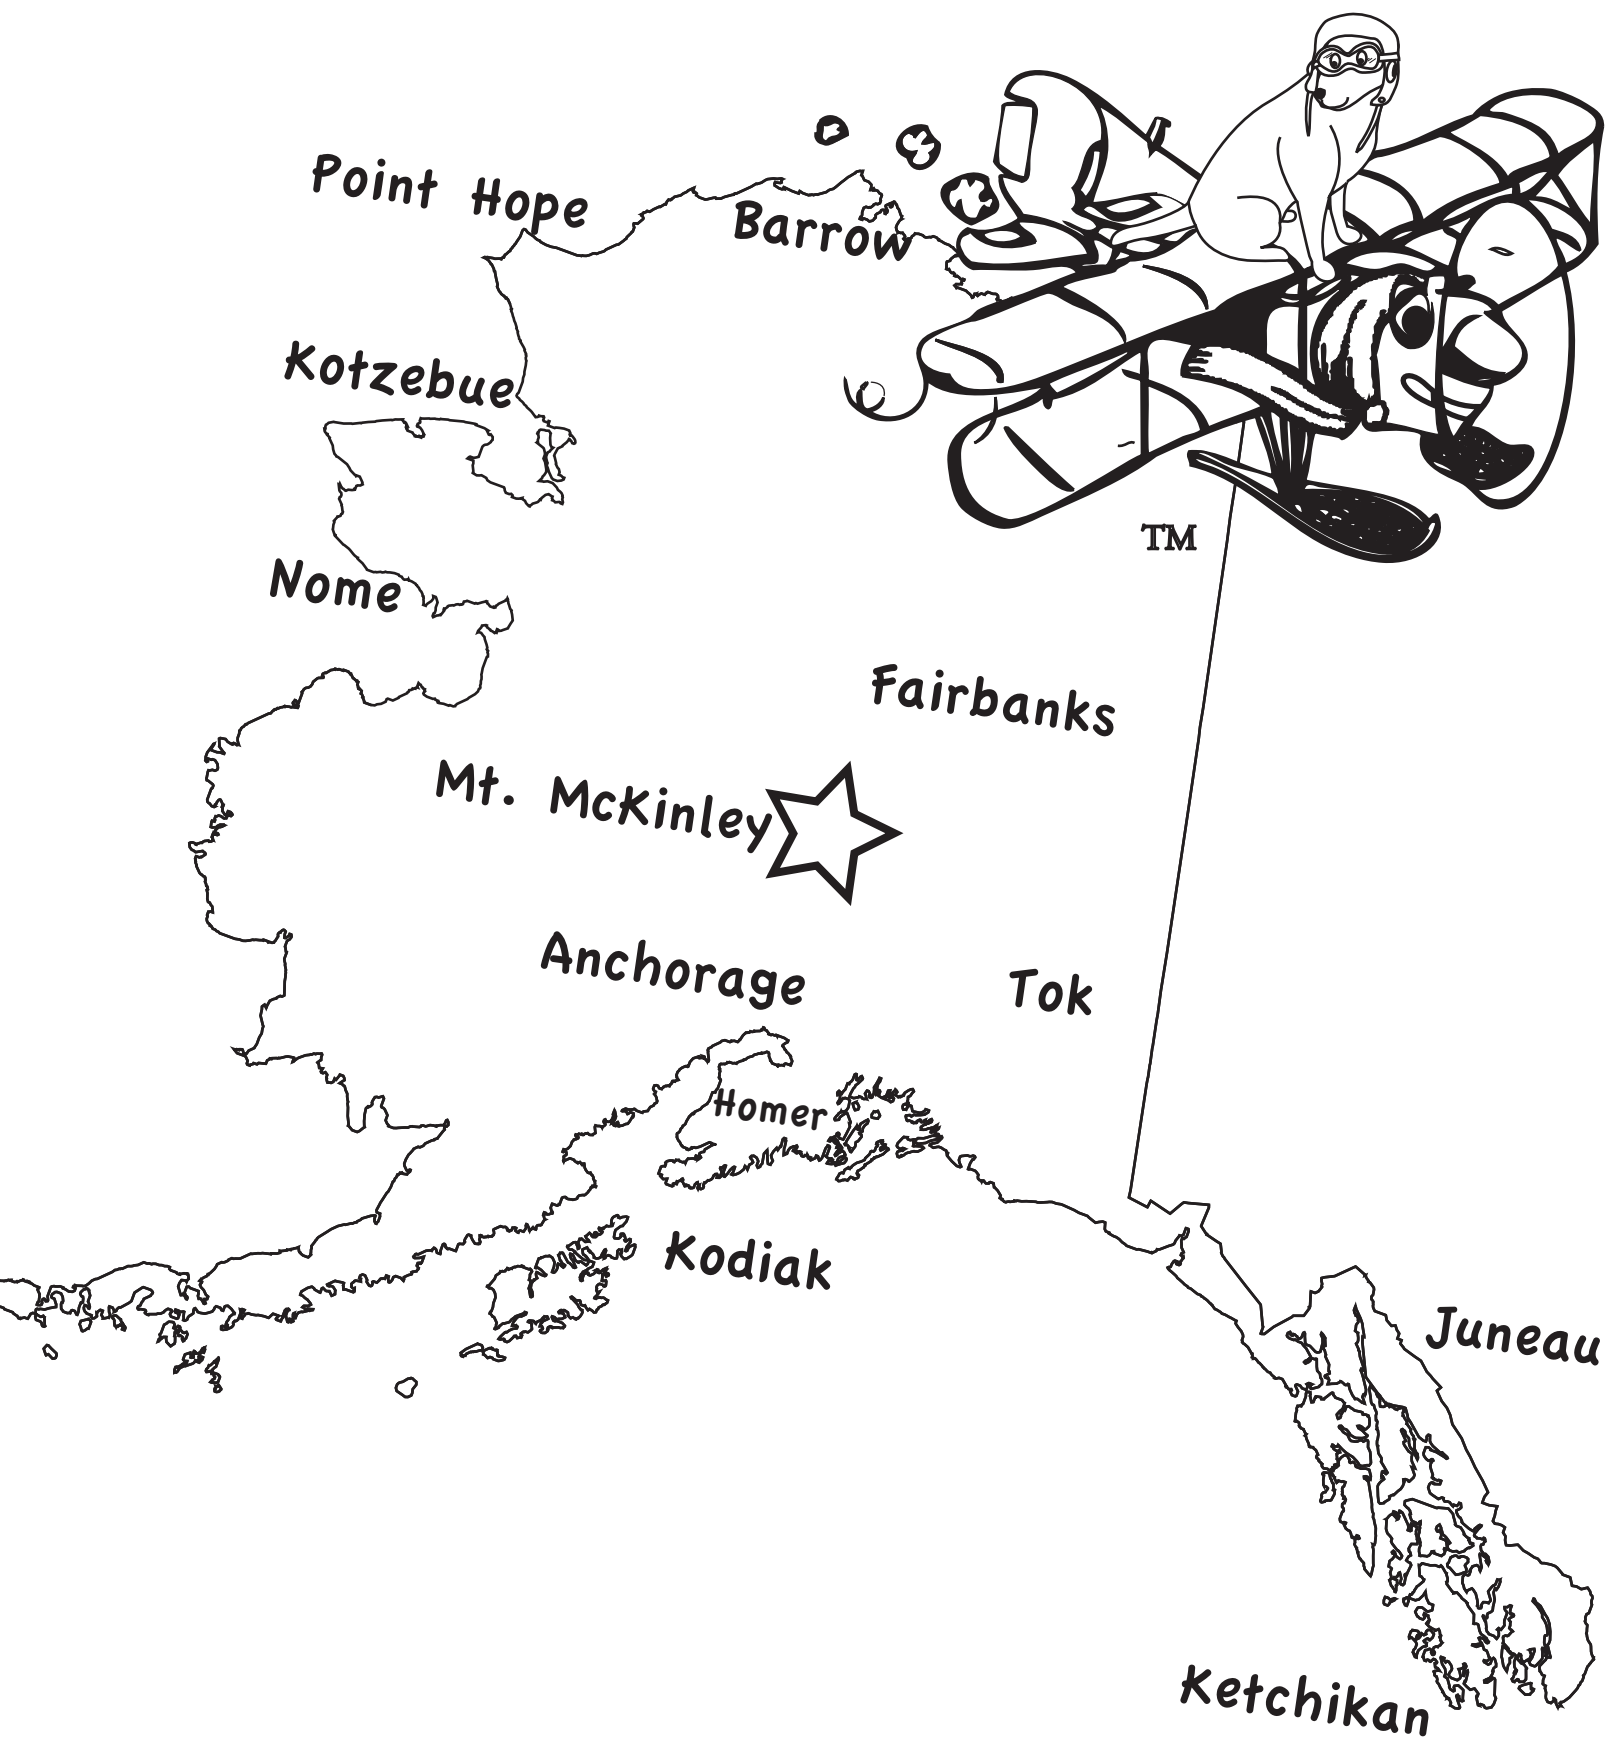

Atlee likes to fly in Alaska
with his friends.

Airplane Atlee lives in a log hanger.

His best friend is Henry
a yellow lab dog.

Airplane Atlee and Henry decide to go fly with their friends.

Airplane Atlee and Henry meet their
friends Oscar the Owl, and Charlie and
Pete the Ravens.

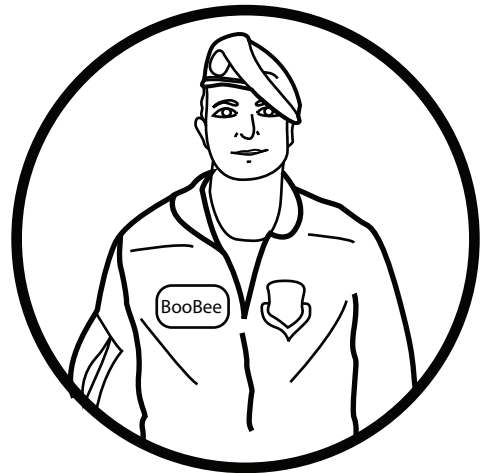

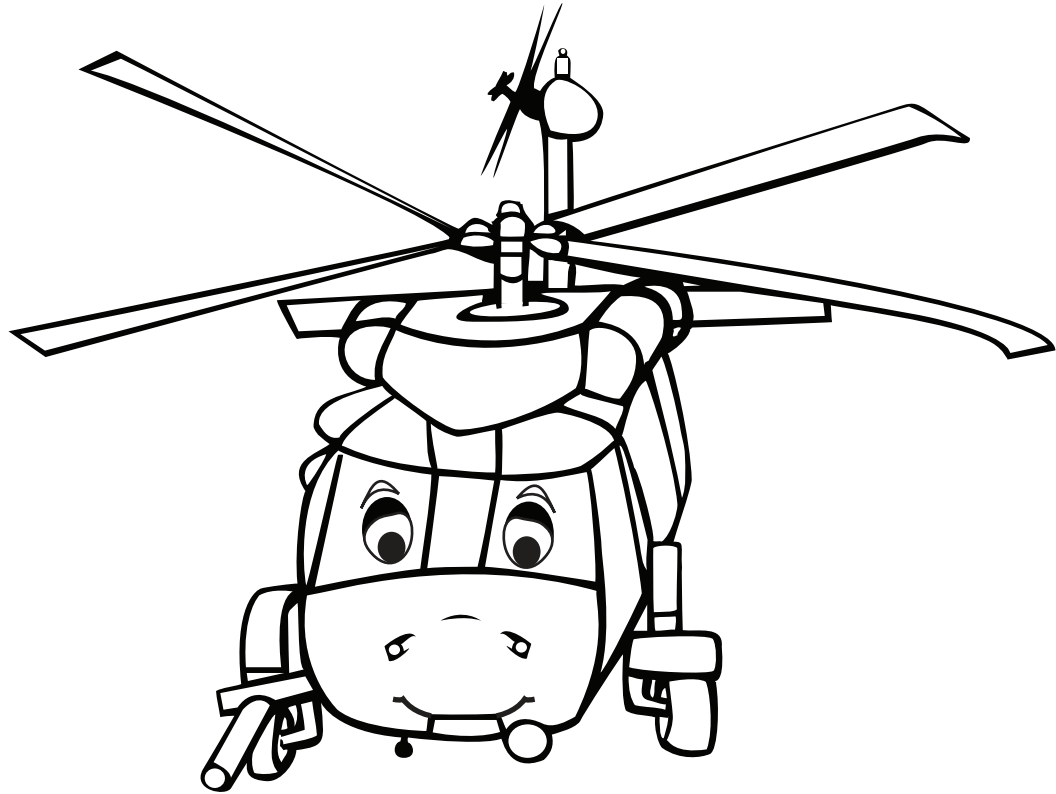

Henry says, "Let's go see Mount McKinley."

On the way to see Mount McKinley they
meet Airplane Atlee's friend...

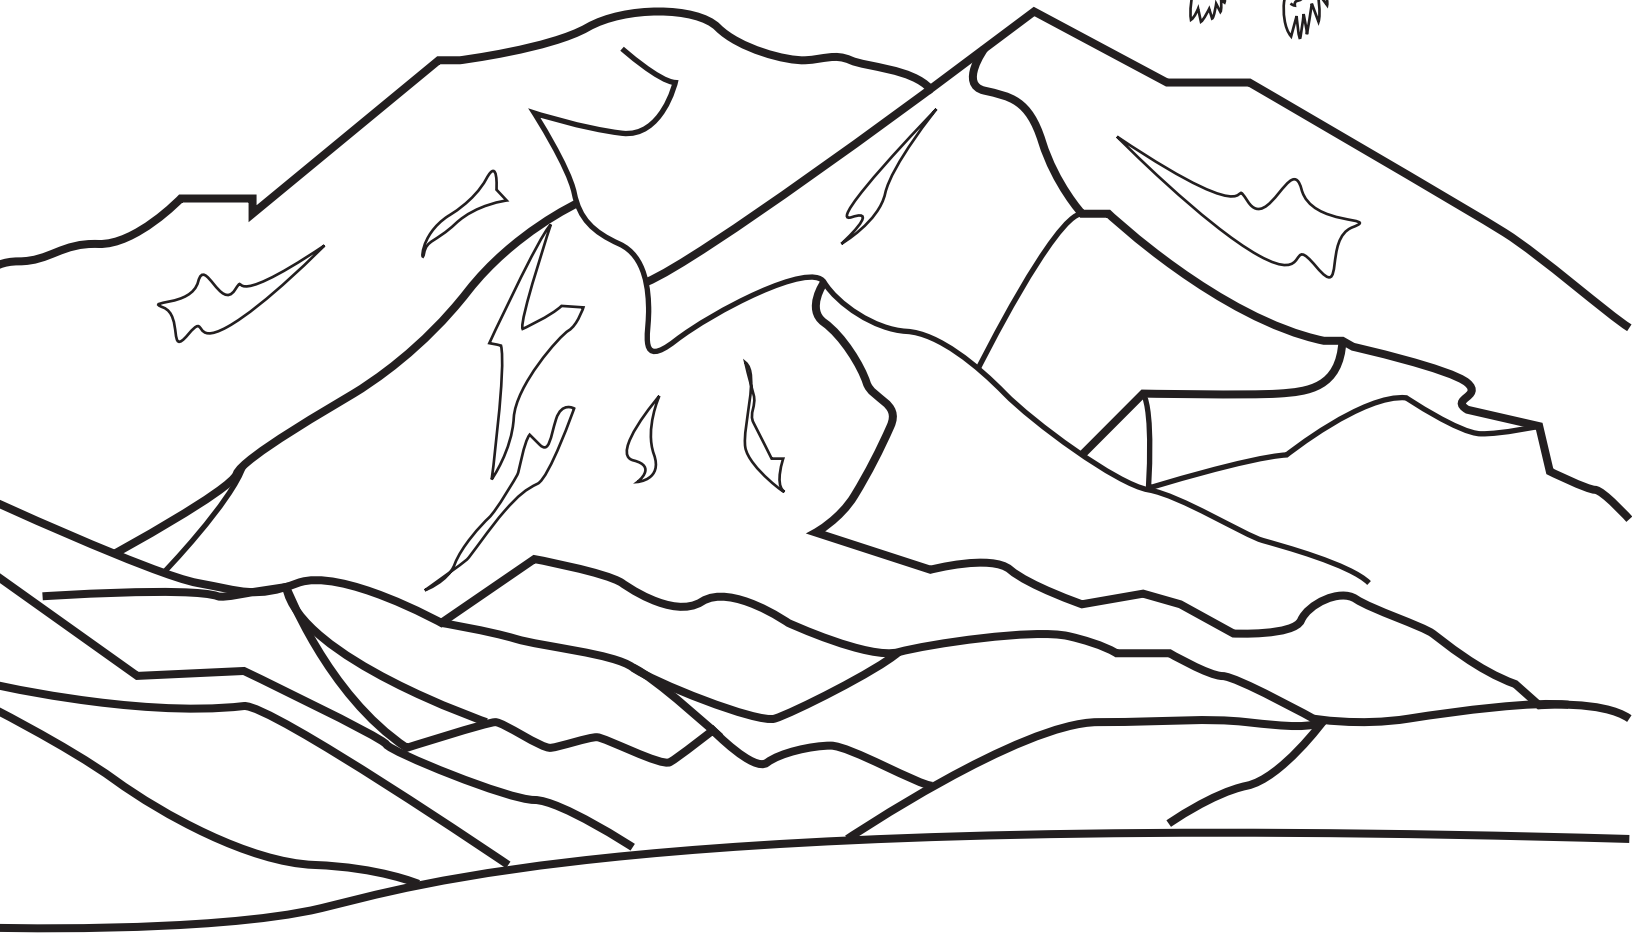

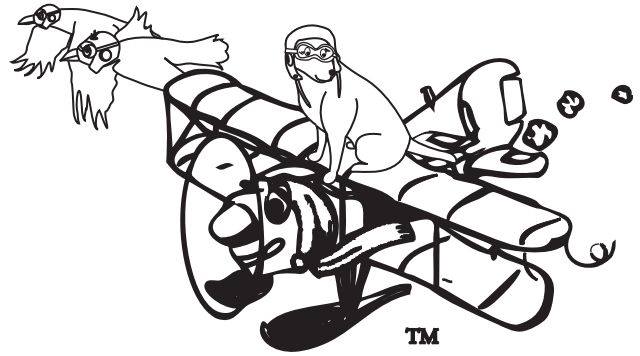

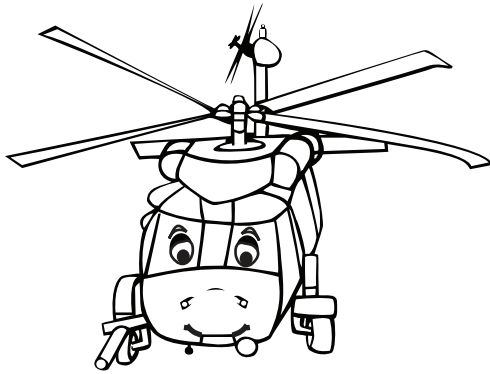

...Harvey the Helo.

Harvey is in the
Alaska Air National Guard.

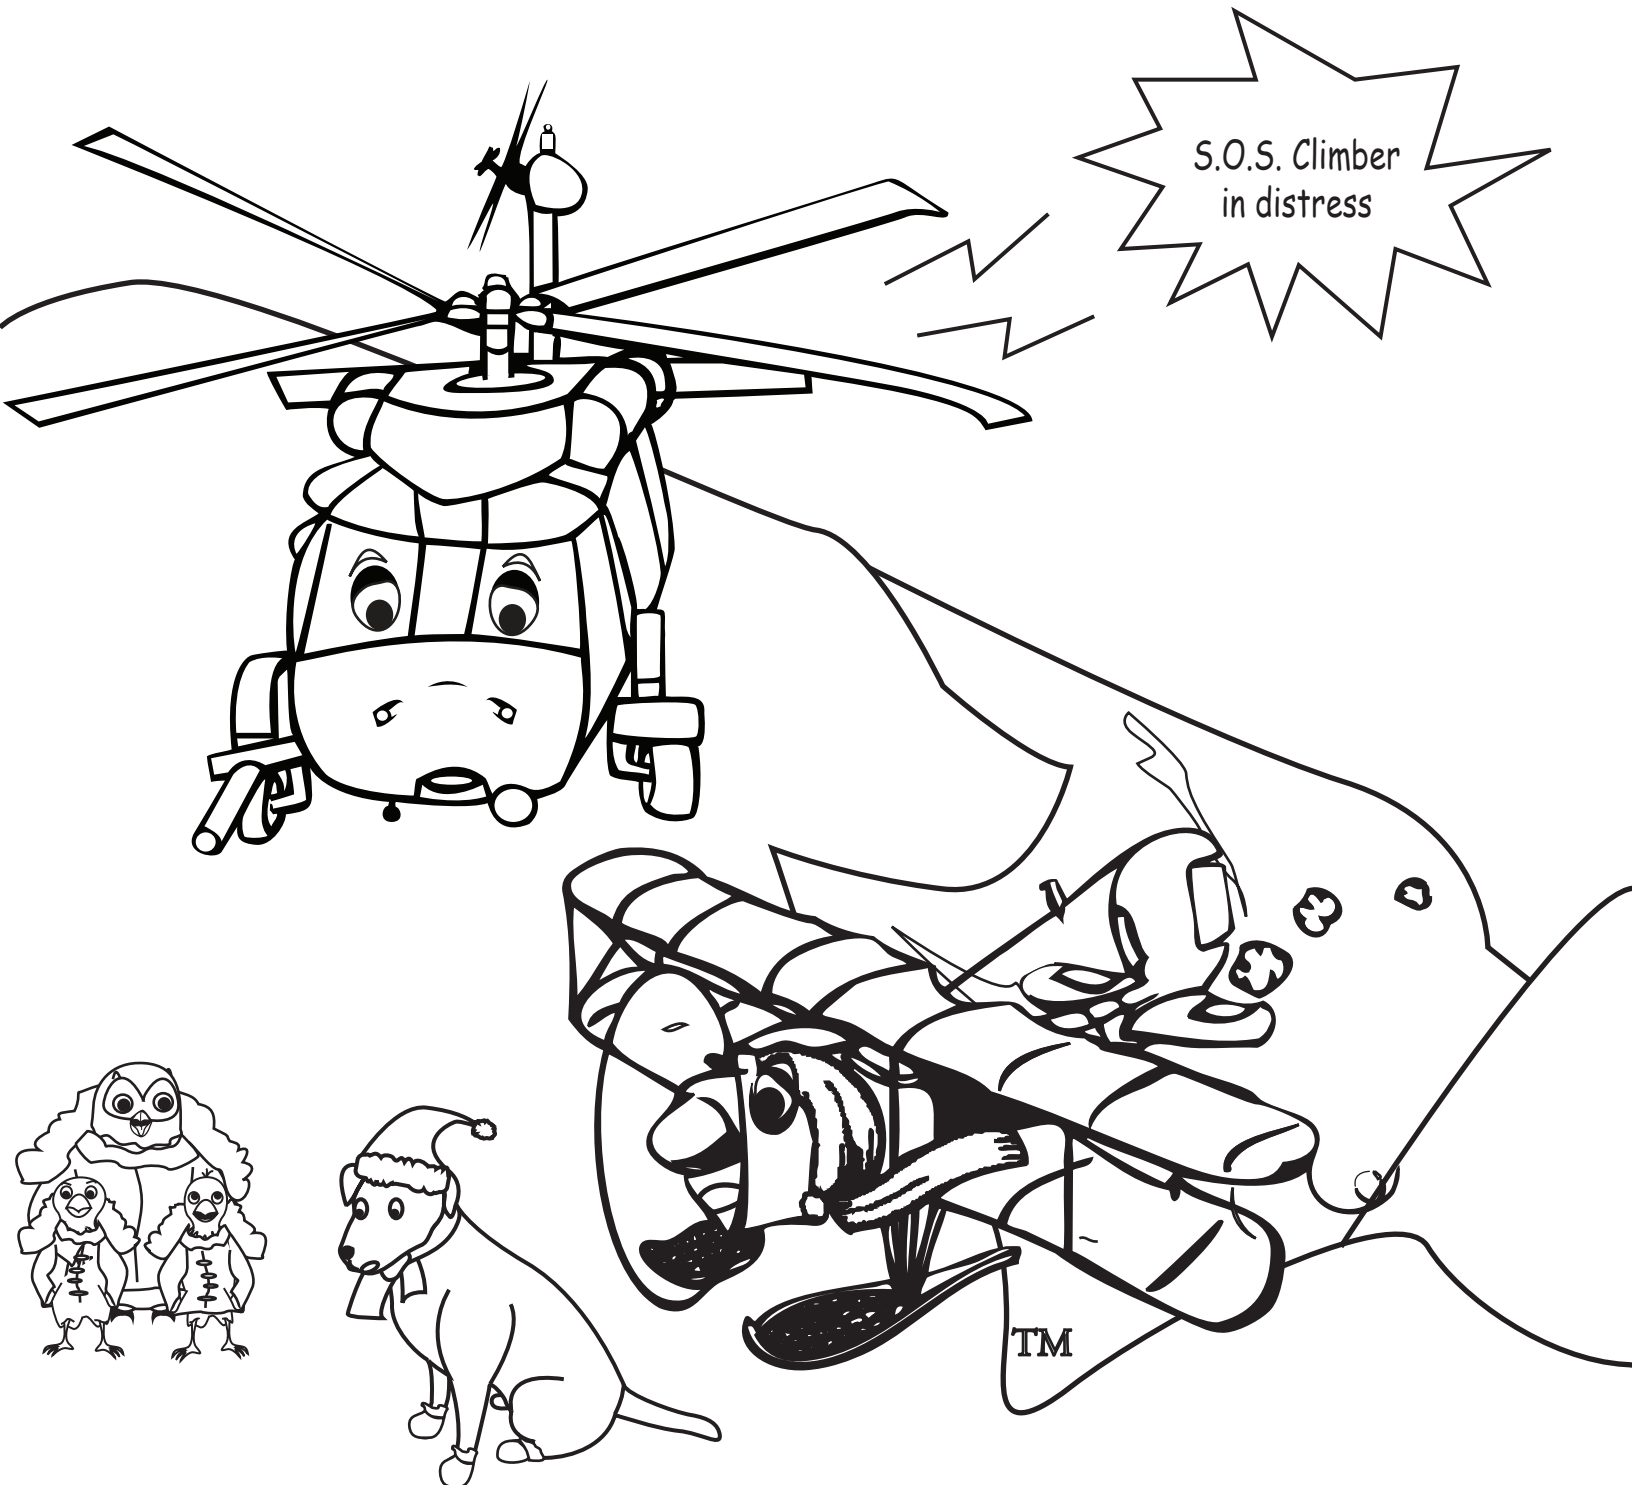

Harvey flies with his friends Harp the
pilot, Zerk the copilot, Stewie the flight
mechanic, and "Boo Bee" the PJ on Board.

Airplane Atlee and friends fly to look
at the tallest mountain in North America.

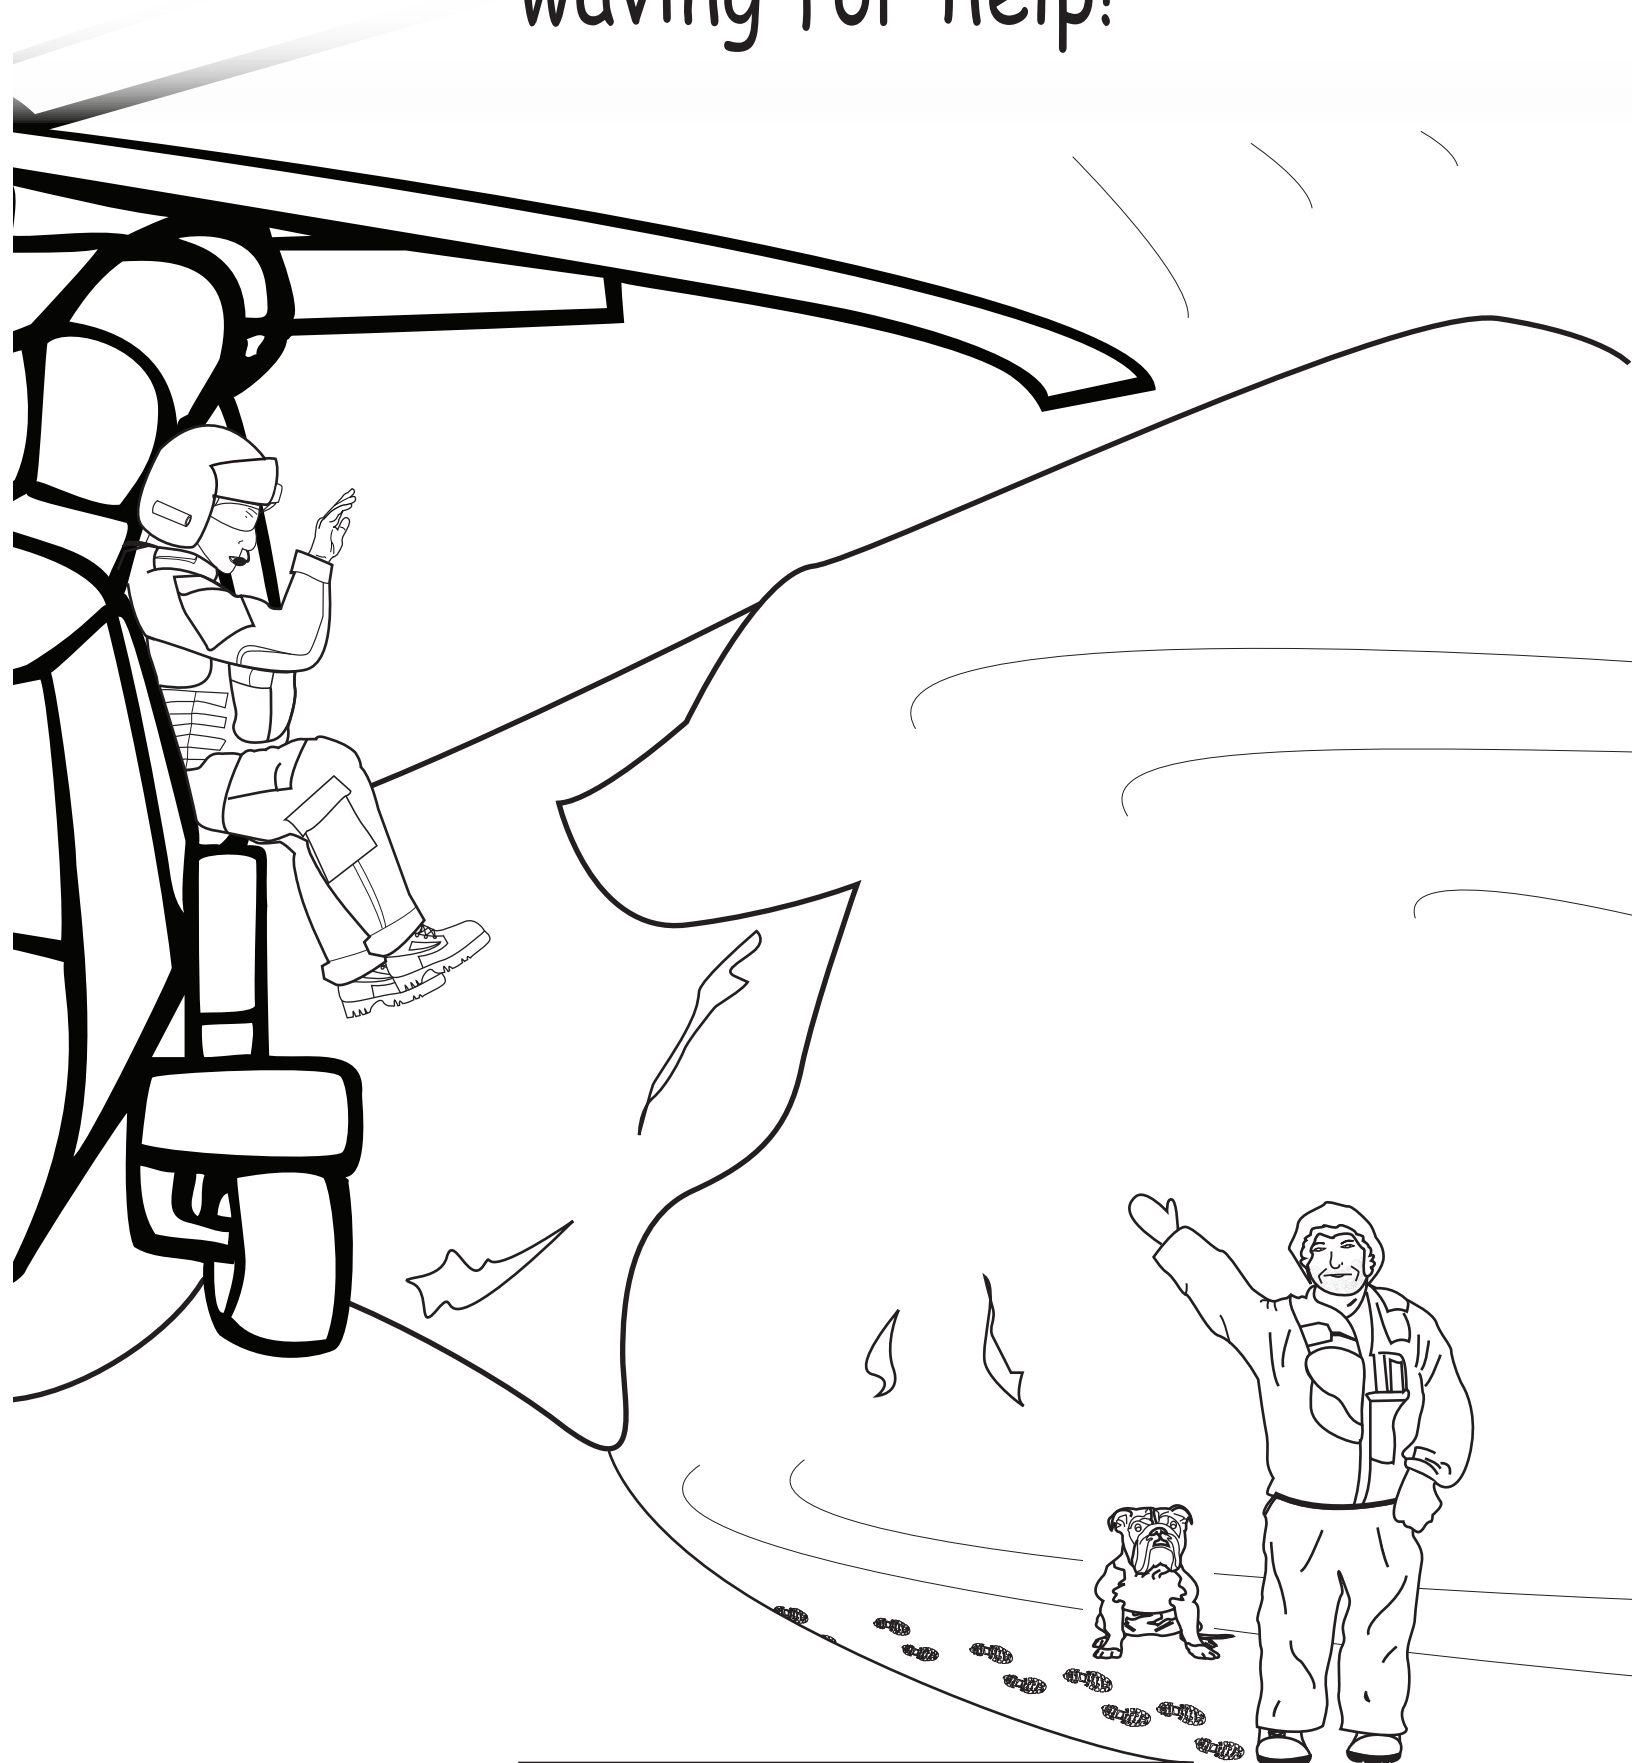

Mt. McKinley is so beautiful and very big!

Harvey tells all his friends a mountain climber is trapped on Mt. McKinley.

They find the climber. BooBee looks down
and sees his old friend "Red"
waving for help!

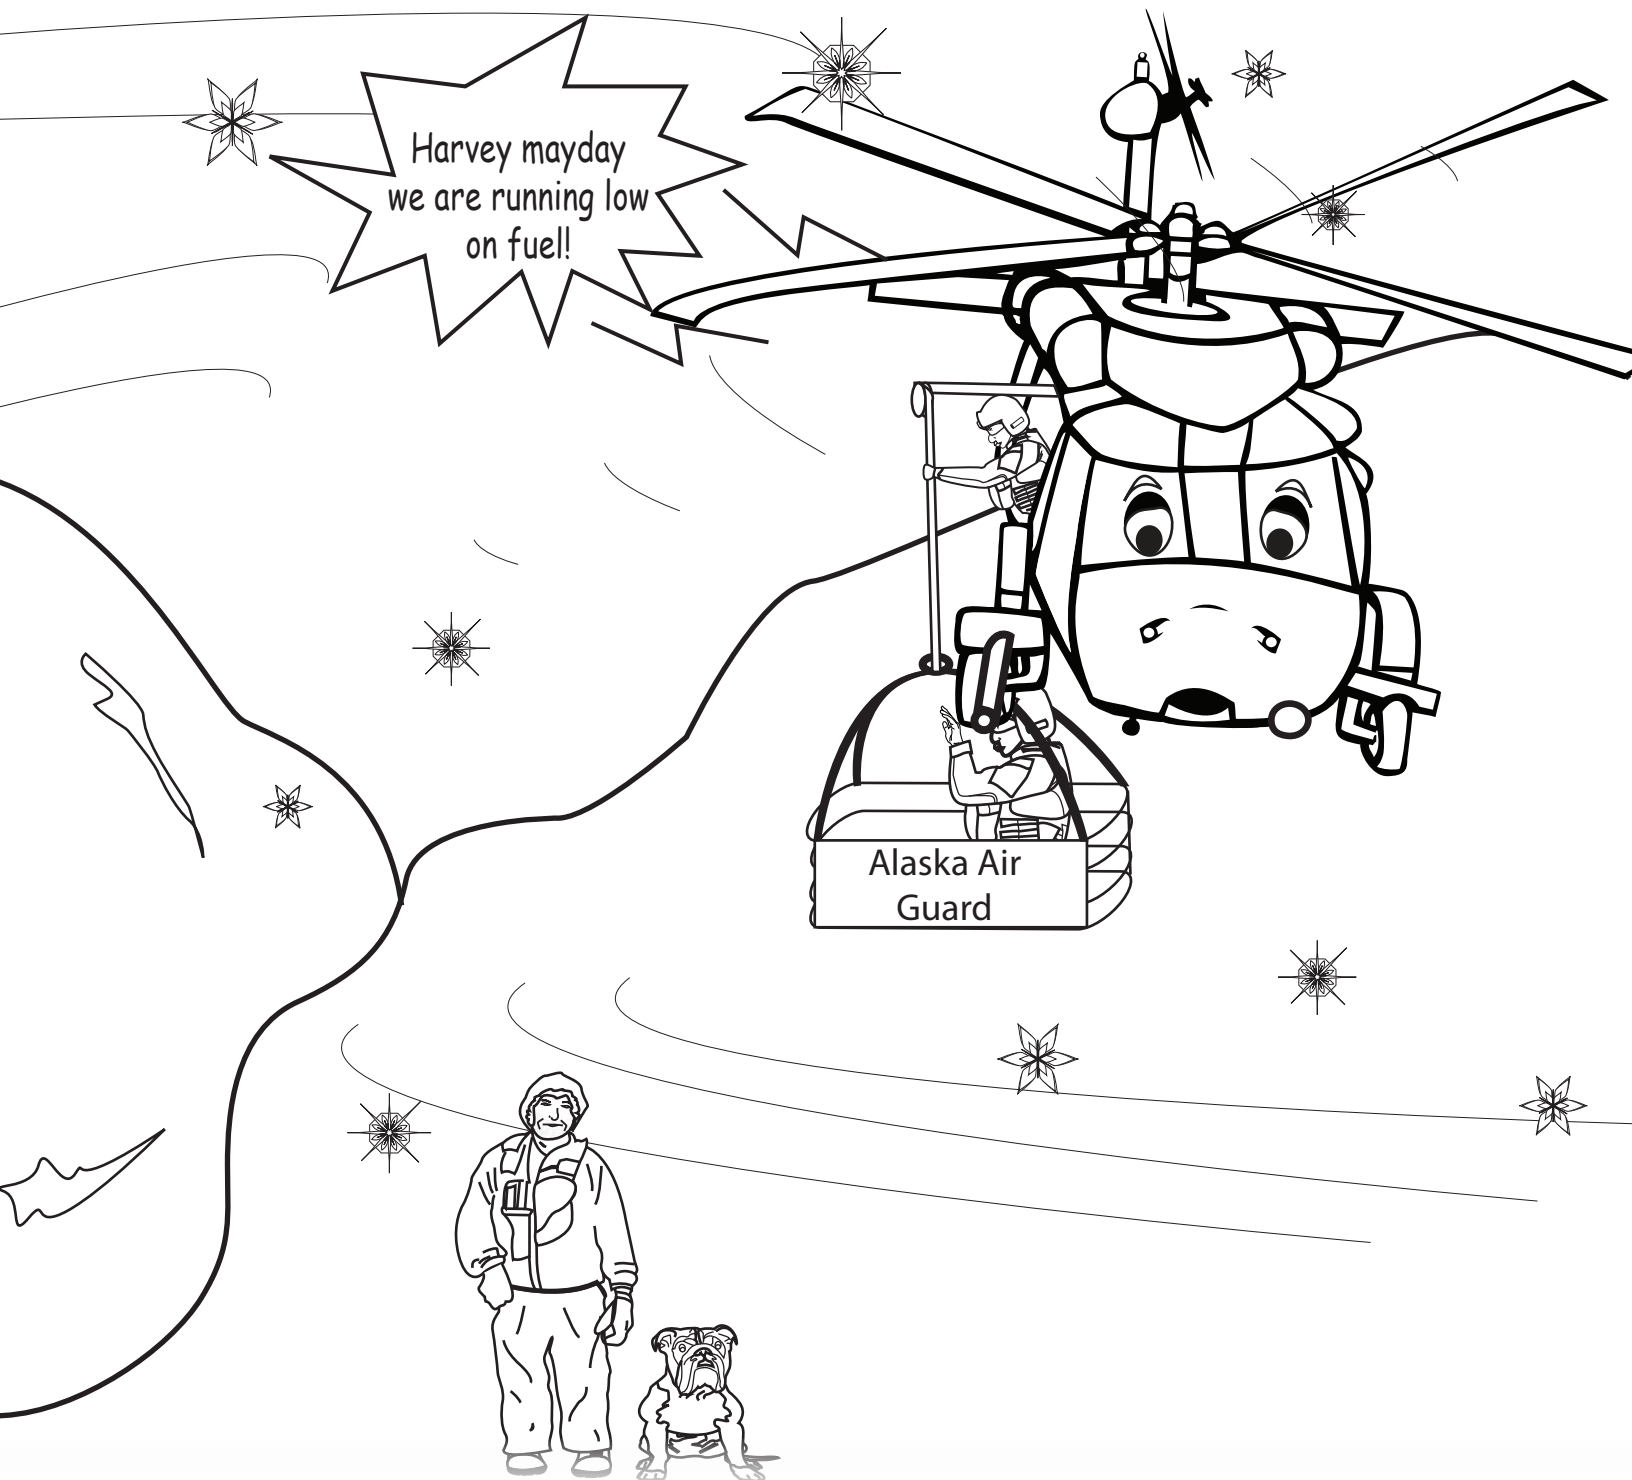

Harvey tells Harp and Zerk to land.

Harp and Zerk tell Harvey they can't land! It's starting to snow and get very windy!

Stewie says he will lower BooBee in the basket to get Red.

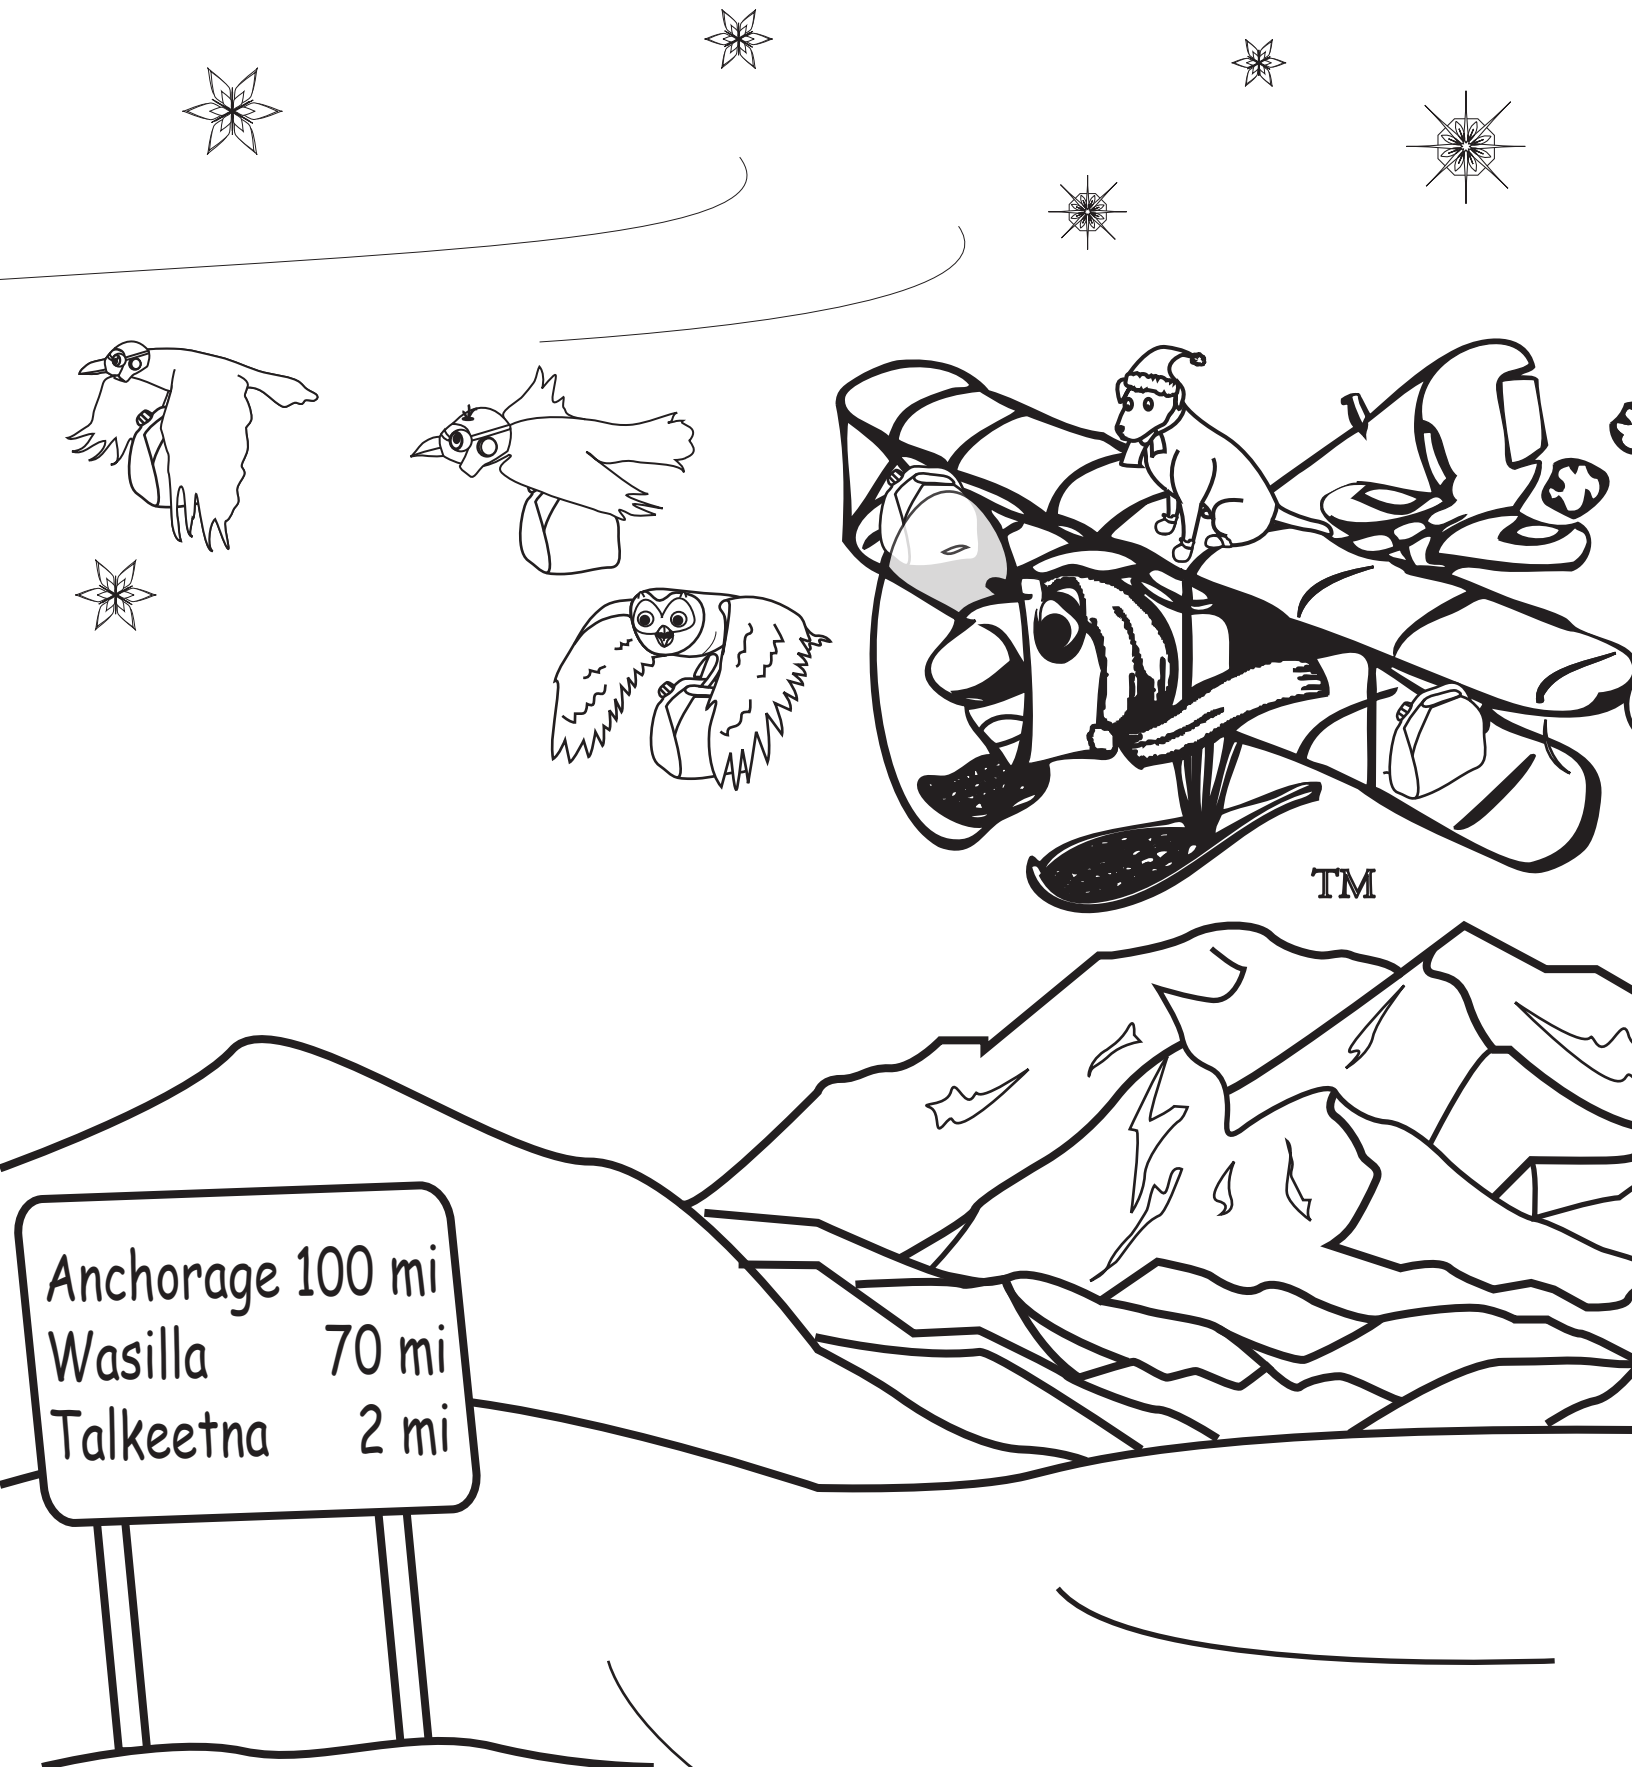

Harp and Zerk tell Harvey they are getting low on fuel!

Harvey tells Airplane Atlee they need some fuel.

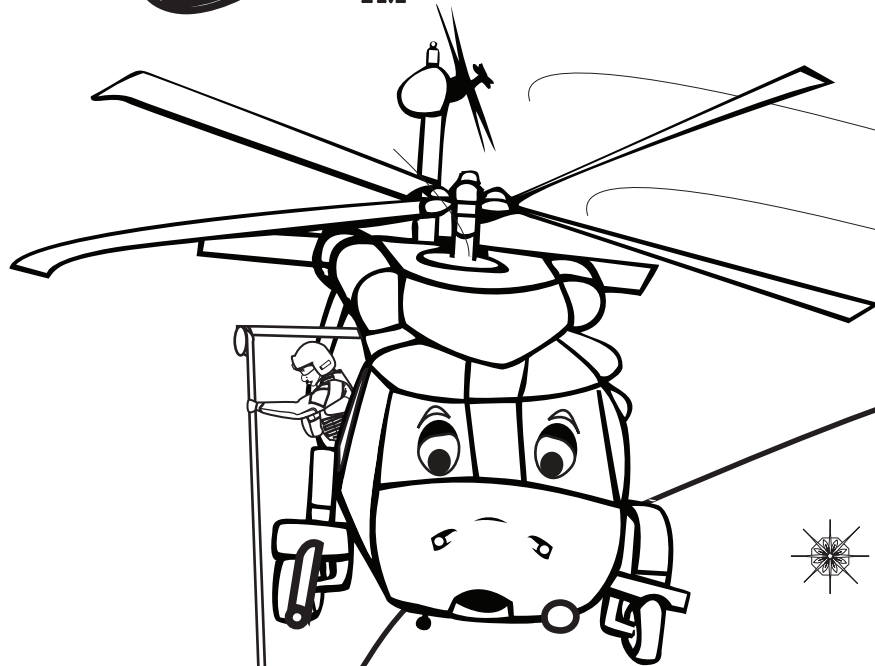

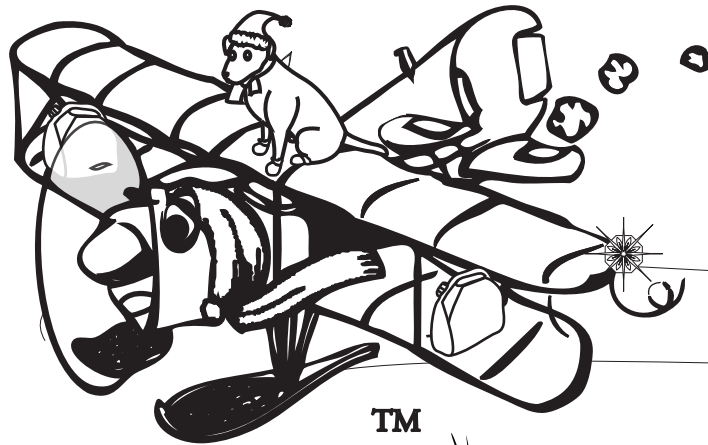

Airplane Atlee jumps into action and volunteers to get some.

Airplane Atlee, Henry, Oscar, Charlie and Pete go to Talkeetna to get fuel.

They get back just in time! BooBee just
picked up Red and his dog Bubba

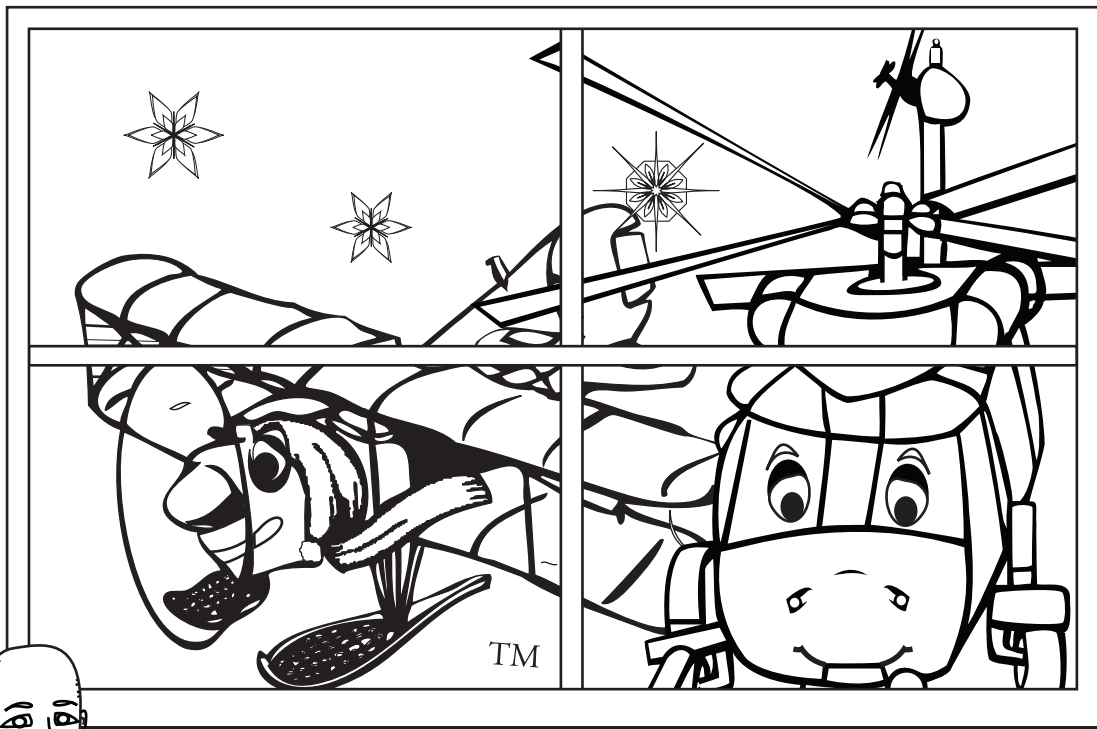

BooBee and Red are Alaska Air Guard
Pararesquemen and have saved many lives
around the world

They all decide to fly to Talkeetna for Pizza. They are very tired and hungry.

Red says thank you to all for saving him and Bubba. They all eat pizza and talk about the Great Alaskan Rescue.
